Dear sir/madam

RE: RECOMMENDATION LETTER FOR IAN OTIENO OCHIENG' I.D. NO 40073485

This is to sanction that the above-mentioned person was an indefatigable employee of LIWAZA LOUNGE AS A BRANCH MANAGER-LEBANON, commenced from 21st JANUARY 2023 to Date. I have known him as a meticulous, foreseeable, far sighted and unadventurous forward person working with negligible supervision.

He possesses good communication skills and has an excellent proficiency of English language, I can attest that he is exhaustive, glib, focused and possess intellectual capacity and aptitude that I consider an asset for professional management.

I'm convinced that he will make good use of opportunities when granted for the great benefit to both the company and clients, it is my considered opinion that he is ready for professional engagement and any other opportunity that may be accorded to him, I therefore recommend him for your consideration without any reservation whatsoever.

In case you require any clarification about him please feel free to consult me. Your support will be highly appreciated.
